LUBRICANTS

SK Super range of Industrial Lubricants are designed to exceed the standards and provide the end user with a confidence that only comes from using a top quality product

SK SUPER ENGINE OIL

SK SUPER oil meets the requirements of modern generation engines. Good viscosity index, good detergency level and excellent oxidation stability provides proper viscosity through a wide range of engine temperature.

- SK SUPER oil enhances engine Clutch and Gear box performance;
- Reduce oil consumption;
- Reduce engine deposits.

Pack Sizes - 210Ltr, 50Ltr, 26Ltr

SK SUPER CONC. HD COOLANT

SK SUPER COOLANT is Suitable for use in generators and other heavy machines required coolant.

- Suitable for use till 0 C only,
- Excellent corrosion protection of entire cooling system containing multi-metal components of aluminium, cast iron, brass and other metals

Pack Sizes: 210Ltr, 20Ltr, 10Ltr

SK SUPER HYDRAULIC 32/46/68/150/220/320/460

SK SUPER Hydro Are Premium Grade, High-Performance Oils, Which Are Designed To Suit The Performance Requirements For A Wide Range Of Hydraulic Components In Systems Subjected To High-Pressure, High-Temperature Operating Conditions.

Applications Of These Series Are Hydraulic System, Systems Employing Gear, Bearings, Vane, Radial And Axial Piston Pumps, Chain Drivers, Compressors, Vacuum Pumps, Mining Machinery Machine Tools, Circulation Oiling System Etc.

Where Anti-Wear Type Hydraulic Oils Are Recommended

Pack Sizes: 210Ltr, 26 Ltr, 20Ltr, 5Ltr

SK SUPER COMPRESSOR OIL

Reciprocating Compressors operate at high temp. and pressures and their main requirement is to sustain a strong film so as to avoid surface wear.

- Low deposits and less sludge formation.
- Possess very low carbon forming tendency.
- Provides good thermal stability hence suitable for high-temperature applications.

Pack Sizes: 210Ltr, 50Ltr, 20Ltr, 10Ltr

SK SUPER VACUUM OIL

Being one of the well-recognized names, we are capable to offer a comprehensive collection of Vacuum Oil.

- Longer shelf life
- Safe to use
- Leak proof packaging

Pack Sizes: 210Ltr, 50Ltr, 20Ltr, 10Ltr

SK SUPER GEAR OIL - 90/140/220/320/460/680

Gear oil is multigrade oil containing Extreme pressure additives for heavy duty service Meets API GL-5, MIL-L 2105 C/D AND EP TYPE GL-5 Level OF IS:1118:1992 Specification

Benefits:

- Thermal stability • Oxidation stability
- Spur and helical gear
- No foam • No pitting

Pack Sizes: 210Ltr, 26 Ltr, 20Ltr, 5Ltr

SK SUPER TRANSFORMER OIL

To attain utmost level of client trustworthiness and faith, we are engrossed in the arena of offering an inclusive variety of Transformer Oil.

Features:

- Perfect composition
- Longer shelf life
- Reliable

Pack Sizes: 210Ltr, 26 Ltr, 20Ltr

SK SUPER MACHINE OIL - 40

Machine Oils in complete compliance with the industry set quality standards and norms. Using top-class basic material along with advanced amenities, these offered products are prepared in conformism with the developments taking place in the industry realm.

Pack Sizes: 210Ltr, 26 Ltr, 20Ltr

SK SUPER CUTTING OIL

This oil is precisely formulated under the supervision of skilled professionals using supreme class chemical compounds and advanced techniques. The offered oil is completely soluble in water and is used for cutting metals.

Features:

- High purity
- Eco-friendly
- Accurate composition

Pack Sizes: 210Ltr, 26 Ltr, 20Ltr

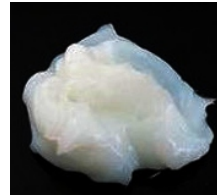

SK SUPER LITHIUM BASED GREASE

Excellent in purity, this Industrial Grease is supplied for patrons in perfect packing. Moreover to this, this presented grease is reliable and easier to use for all industrial machines.

Pack Sizes: 180Kg, 18Kg, 5Kg, 1Kg, 500Gm, 250Gm, 100Gm

SK SUPER SILICON BASED GREASE

Excellent in purity, this Industrial Grease is supplied for patrons in perfect packing. Moreover to this, this presented grease is reliable and easier to use for all industrial machines.

Pack Sizes: 180Kg, 18Kg, 5Kg, 1Kg, 500Gm, 250Gm, 100Gm

SK SUPER AP-3/EP-2/EPL-2 GREASE

Excellent in purity, this Industrial Grease is supplied for patrons in perfect packing. Moreover to this, this presented grease is reliable and easier to use for all industrial machines.

Pack Sizes: 180Kg, 18Kg, 5Kg, 1Kg, 500Gm, 250Gm, 100Gm

SK SUPER WHEEL BEARING GREASE

Excellent in purity, this Industrial Grease is supplied for patrons in perfect packing. Moreover to this, this presented grease is reliable and easier to use for all industrial machines.

Pack Sizes: 180Kg, 18Kg, 5Kg, 1Kg, 500Gm, 250Gm, 100Gm
